Condo / Townhouse on 0.00 Acres

Potter Greens, Edmonton, AB

Original owner unit in Premium condition. Being one of the first buyers during new construction provided the benefit of picking a prime location within the complex. It also gave the owner the opportunity to make improvements to original plans. One of the most significant and rarely seen in any home was the installation of two independent heating systems. One forced air furnace and the other running off a boiler. Backyard space faces south west and is much larger than most in complex. Also overlooks a green space that has a number of amenities. Outdoor ice rink, Soccer field and playground. Lewis Estates Golf Course also backs onto complex. Other highlights: 3 bedrooms, 2 baths with the ability to create a third. Main floor laundry, Two fireplaces, Built in sound system, Air cond, Vaulted ceilings, Hardwood flooring, Massive kitchen with tremendous storage and large banks of windows. From kitchen you access a private deck with retractable awning. Lower level was finished to the same standards.

Built in 1998
