Executive Retreat meets Family Living in West Edmonton! 3240 sq ft of living space tucked into a prestigious, forest-backing cul-de-sac just 5 minutes walking distance from two excellent schools. This 5-bed, 3.5-bath gem stuns guests with its 3-season bug-free sunroom that has a full 2nd kitchen with gas BBQ, stove, fridge and h+c running water. This massive sunroom (615 sq ft) ALSO hosts a big hot tub, fire lamps, and a projector/screen to watch Oilers games with a crowd of friends and family—or they can sit around the outdoor fire pit in the yard (complete with gas-fired log starter!) Inside, chefs love the main kitchen, complete with a pot filler, stainless backsplash, smart fridge and pre-fitted for gas. The finished basement features heated floors throughout and a hidden children's nook. A must-have during Edmonton's winters: the heated garage. A perfect home for families, entertaining, or working from home in a safe & peaceful hideaway with professional neighbors.
